Non-food credit growth at eight-month high of 6.53%

FE BUREAU
Mumbai, January 15

THE GROWTH IN non-food credit rose to an eight-month high of 6.53% year-on-year (y-o-y) during the fortnight ended January 1, from 6.03% in the previous fortnight. The last time non-food credit grew faster was during the fortnight ended April 24, 2020.

As on January 1, outstanding non-food credit stood at ₹106.12 lakh crore, showed data released by the Reserve Bank of India (RBI). Deposits with banks stood at ₹147.27 lakh crore, up 11.48% y-o-y. The credit-deposit ratio was 72.06%.

Most large banks have been saying that they are seeing a pick-up in economic activity and expect that to translate into higher loan growth, largely on the back of housing

loans. Some private banks have also reported a strong growth in advances during Q3 ahead of their financial results.

After State Bank of India's (SBI) Q2FY21 results, chairman Dinesh Kumar Khara had said that the bank was expecting an 8-9% credit growth in

FY21 because economic activity had gathered pace. "We have already seen the growth as far as our book is concerned. We have seen growth of about 6% till September 30. Hopefully, with the unlocking happening, we should be in a position to reach better than 8%," he observed.

For both public-sector banks (PSBs) and private banks, much of the fresh lending in the last few quarters has been in the government segment as also in gold loans. The emergency credit line guarantee scheme (ECLGS) has also helped step up loan sanctions to small enterprises. The RBI's trend and progress report said that credit expansion was at a higher pace among PSBs during March, June and September, 2020 quarters, after three consecutive quarters of deceleration. Lending in rural areas

has been a bright spot for banks in FY21. "Although the share of rural credit in the total has been hovering between 8 and 9%, its growth surpassed that of other categories in 2019-20, after a gap of four years," the central bank said.

Analysts also expect loan growth in Q3 to have been robust on the back of festive demand and the government's credit guarantee scheme for small businesses.

In a results preview, analysts at Axis Securities said, "Overall, we estimate business growth to recover, aided by pent up demand, a good festive season, and expect systemic loan growth for FY21 to pick-up from its lows." At the same time, whether the recovery in credit demand sustains through Q4FY21 remains to be seen.

Sebi gives some relaxation with regard to LODR compliance

PRESS TRUST OF INDIA
New Delhi, January 15

AMID THE SITUATION arising out of the COVID-19 pandemic, Sebi on Friday provided relaxation to companies from compliance with certain provisions of Listing Obligations and Disclosure Requirements (LODR) Regulations.

Sebi provided relaxations after the Ministry of Corporate Affairs (MCA) came up with circulars in December 2020 and January 2021, extending certain relaxations for companies. New BRSR format to bring in more transparency: Tyagi

SEBI ON FRIDAY said the proposed format for business responsibility and sustainability reporting (BRSR) for listed companies will bring in greater transparency through disclosure of material ESG (environmental, social, governance)-related information.

At a meeting with industry leaders, Sebi chairman Ajay Tyagi said such disclosures are pertinent to both investors and other stakeholders.

Under the proposal, the new BRSR format covering ESG perspective would be applicable for the top 1,000 listed entities by market capitalisation.

Tyagi said, "The proposed format for BRSR aims at bringing in greater transparency through disclosure of material ESG-related information that would allow market participants to identify and assess sustainability-related risks and opportunities." —PTI

ations in respect of sending physical copies of annual report to shareholders and requirement of proxy for general meetings held through electronic mode are extended for listed entities till December 31, 2021, Sebi said.

"The circular shall come into force with immediate effect," Sebi said.

LODR norms prescribe that a listed entity shall send a hard copy of the statement containing salient features of all the documents to the shareholders who have not registered their email address, and hard copies of full annual reports to those shareholders who request for it.

Besides, the regulations also specify that the listed entity shall send proxy forms to holders of securities in all cases mentioning that a holder may vote either for or against a resolution.
