

*Energy . Appetite Stimulant .
Essential B Vitamins*

Renagest

The Rescue Ration!

Indications:

- Attractant and palatable enhancer for Poultry and Livestock.
- Emergency feed for weak, immature or orphaned animals.
- Requires no digestion.
- Assists in the rearing of newly hatched chickens.
- Helps minimize vaccine reactions in poultry and livestock.
- Useful in masking the often unpalatable taste and smell of the medicated drinking water.
- A general tonic and appetite stimulant, ideal for animals which off their food, weak or debilitated.
- Helps reducing the effects of heat stress in Poultry and Livestock.
- Treating scours and sickness.
- Easy to administer.

Attractant and palatability enhancer for livestock and poultry. Also as predigested tonic and emergency food for premature, weak and orphaned animals.

Renagest *The Rescue Ration!*

Composition :

Each 100ml contains:

Vitamin

Thiamine	10.96mg
Riboflavin	16.158mg
Niacin	109.60mg
Pantothenic acid	10.04mg
Pyridoxine	3.20mg
Folic acid	2.14mg
Biotin	0.032mg
Choline	565mg
Cyanocobalamine	Trace
Inositol	Trace

Amino Acid

Alanine	1243mg
Arginine	621.5mg
Aspartic	1728.9mg
Cystine	Trace
Histidine	576.3mg
Isoleucine	926.6mg
Leucine	1299.5mg

Lysine	1536.8mg
Methionine	282.5mg
Phenylalanine	745.8mg
Proline	734.5mg
Serine	802.3mg
Threonine	768.4mg
Tryptophan	Trace
Valine	1152.6mg
Glutamic Acid	1921mg
Glycine	847.5mg

Minerals

Phosphorous	1.23gm
Sodium	4.654gm
Chlorine	6.858gm
Potassium	2.6gm
Calcium	0.078gm
Magnesium	0.202gm
Iron	1.13gm

Physical Properties : Liquid, Chocolate color

Dosage :

Oral Administration of following dose should be maintained:

Small animals: 2.5mL

Lambs: 15-30mL

Sheep and goats: 30-40mL

Calves and foals: 30-60mL

Cattle, horses and camels: 60-100mL

Poultry: add 0.5-1mL per 1L of drinking water

Side effects : No side effects

Toxicity : No toxicity

Withdrawal period : Milk, meat & eggs - Nil

Precaution : Not Applicable

Pack size : 500mL and 100mL plastic bottles

Storage: Room temperature & Protect from light

Shelf Life: 2 Years

Country Of origin : India
